MEDIA ADVISORY

Caterpillar Large Power Systems Division to deliver gifts for 120 kids at CHAIL as part of their Holiday Wish List Campaign

What: 1,088 wish lists from CHAIL clients were paired out to friends in the community to shop for this holiday season. Over a quarter of all the lists were fulfilled by Cat employees and groups. On Friday, the LPSD team will be delivering the largest number of gifts requested at one time- 120. "We're so proud of our Caterpillar employees who continually support organizations like the Children's Home Association of Illinois and so many more," said Henry Vicary, Caterpillar Guest & Community Relations Director. "Our employees recognize how important it is to be pro-active members of our communities and they continue to give generously year after year."

Why: CHAIL's Holiday Wish List Campaign ensures that the kids and families of CHAIL have a special holiday season. Each client's wish list is paired with an individual or group within the community to go holiday shopping for them. It only took 250 donors, many of whom were Caterpillar employees, to fulfill all 1,088 wish lists. LPSD's gift delivery symbolizes the generosity of all of the Caterpillar employees in the Peoria area.
