

# ACADEMY FOR AUTISM

## MISSION:

**Empowering students to reach their full potential academically, behaviorally, socially and emotionally for the purpose of reintegrating them into their home district academic setting or integrating them into the community as independent individuals with the appropriate support. We work to motivate and empower families to be involved in their students' progress through ongoing collaboration, education and support.**

**1 ISBE licensed  
special educator  
per classroom**

**3 ISBE licensed  
teacher assistants  
per classroom**

**8 students per  
classroom**

## ADMISSION PROCESS

**A referral comes from the student's home school district to the Program Director. With a signed release, a copy of the Individualized Education Place (IEP) is requested for review. Consideration for enrollment is contingent upon proper eligibility and determination that AFA is the appropriate educational setting. During the process parent(s) and/or school district personnel are invited to schedule a tour at AFA.**

**Support personnel: Board Certified Behavior Analyst, Case Manager, Clinically Certified Speech Language Pathologist, & Certified Occupational Therapy Assistant**
